Independent Auditor's Review Report on Standalone Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Everest Kanto Cylinder Limited

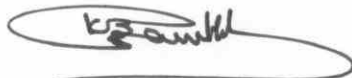

1. We have reviewed the accompanying statement of unaudited standalone financial results (the 'Statement') of **Everest Kanto Cylinder Limited** (the 'Company') for the quarter ended 31 December 2017 and the year to date results for the period 1 April 2017 to 31 December 2017, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. As stated in note 5 (a) to the financial results, the Company's current financial assets, as at 31 December 2017, include an investment amounting to Rs. 3,425 Lakh (as at 31 December 2016 and 30 September 2017: Rs. 3,425 Lakh) in its wholly owned Subsidiary in China, EKC Industries (Tianjin) Co. Ltd., whose financial results as at 31 December 2017 indicate significant accumulated losses and net worth being fully eroded, however, as at 31 December 2017, a provision of only Rs. 3,000 Lakh (as at 31 December 2016: Rs. 1,500 Lakh and 30 September 2017: Rs. 3,000 Lakh) has been recognized in the books for diminution in value of investments, on an adhoc basis. In the absence of sufficient appropriate evidence, we are unable to comment upon the carrying value of this investment and the consequential impact, if any, on the accompanying financial results. Our limited review opinion on the financial results for the quarter and nine months ended 31 December 2016, quarter and six months ended 30 September 2017 and our audit opinion on the financial statements for the year ended 31 March 2017 was also qualified in respect of this matter.

4. Based on our review conducted as above, except for the possible effects of the matter described in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to note 7 to the financial results, regarding the delays in receipt of receivables and payment against the supply of goods, amounting to Rs. 41 Lakh and Rs. 7,509 Lakh, respectively, that are outstanding for a period beyond the timelines stipulated vide FED Master Direction No. 16/2015-16 and FED Master Direction No. 17/2016-17 under the Foreign Exchange Management Act, 1999 due from/to group companies. The Management of the Company has represented that the Company is in the process of regularizing these defaults by filing necessary applications with the appropriate authority for condonation of such delays. Pending conclusion of the aforesaid matter, the amount of penalty, if any, that may be levied, is not ascertainable and accordingly, the accompanying financial results do not include any adjustments that may arise due to such delay/default. Our report is not modified in respect of this matter.

NOTES :

- 1 The above results were reviewed by the Audit Committee at its meeting held on 13 February, 2018 and have been approved by the Board of Directors of the Company at their meeting held on that date.
- 2 The Company adopted Indian Accounting Standard ("Ind AS") from 1 April 2017 and accordingly these financial results have been prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and the other accounting principles generally accepted in India. Consequently, the financial results for the quarter and nine months ended 31 December 2016 have been restated as per the principles of Ind AS 34 to make them comparable.
- 3 In view of the various clarifications issued and being issued by the Ind AS transition facilitation group (ITFG) constituted by the Accounting Standards Board of the Institute of Chartered Accountants of India, it may be possible that the interim financials may undergo adjustments on finalisation of full year Ind AS financial statements as at and for the year ending 31 March 2018, due to treatments/methods suggested by ITFG on applicability of various Ind AS.
- 4 Reconciliation of Net Loss after tax reported under previously generally accepted accounting principles in India (previous Indian GAAP) and the Total Comprehensive Income as per Ind AS for the quarter and nine months ended 31 December 2016 is as per the table below:

- 5.a As regard the Investment by way of share capital of ₹ 3,425.07 Lakhs in EKC Industries (Tianjin) Company Limited (the 'subsidiary'), a wholly owned subsidiary based in China, the Company is of the considered view, based on the assessment of the relevant factors, that no further provision for impairment in the value of the Investment is required. However, on a conservative basis, considering erosion in net-worth of the subsidiary, an aggregate amount of ₹ 3,000 Lakhs as at 31 December, 2017 (including ₹ 2,000 Lakhs upto 31 March 2017) has been provided towards such impairment and has been disclosed as an 'Exceptional Item' in the financial results. The Limited Review Report of the Statutory Auditors on the financial results for the quarter and nine months ended 31 December 2017 is qualified in respect of this matter. The Audit Report of the Statutory Auditors on the financial statements for the year ended 31 March 2017 was also qualified in respect of this matter.
- 5.b 'Exceptional Item' includes gain on reversal of provision made in earlier periods towards write down in value for slow and non-moving inventory items of ₹ 32 Lakhs for the nine months period ended 31 December, 2017 (write down of ₹ 633 Lakhs for the nine months ended 31 December 2016).
- 5.c Exceptional Item includes expenses of ₹ Nil (₹ 448 Lakhs for the nine months period ended 31 December 2016) incurred towards shifting the assets located at Gandhidham to Kandla location. The assets were shifted to provide vacant possession to the buyer of Gandhidham land and building.
- 5.d An aggregate amount of ₹ Nil (₹ 44 Lakhs for the nine months ended 31 December 2016) has been provided towards impairment of investment in share of and loan and other receivables from Calcutta Compressions & Liquefaction Engineering Limited (CC&L), a subsidiary company, based on management's assessment of the recoverable value of the investment and loans. This provision has been disclosed as an 'Exceptional Item' in the financial results.
- 6 The Company had advanced an inter-corporate deposit to Hubtown Limited during the year ended 31 March 2012. However, in the absence of certainty, the Company had discontinued the recognition of revenue with effect from 1 April 2015. Currently, the Company has entered into a revised agreement with Hubtown Limited and have made subsequent recoveries in accordance with the revised agreement. Accordingly, considering the recent positive developments, the Company has recognized interest income of ₹ 762 Lakhs (including unrecognized income of ₹ 685 Lakhs till 30 September 2017). Further, the provision towards doubtful recovery of inter-corporate deposit of ₹ 100 Lakhs has also been reversed during the quarter ended 31 December 2017. These amounts are forming part of 'Other Income' for the quarter and nine months ended 31 December 2017.
- 7 The outstanding balances as at 31 December 2017 include trade payables aggregating ₹ 7,509 Lakhs and trade receivables aggregating ₹ 41 Lakhs to/from companies situated outside India. These balances are pending for settlement due to financial difficulties and have resulted in delays in remittance of payments and receipts of receivables, beyond the timeline stipulated by the FED Master Direction No. 16/2015-16 and FED Master Direction No. 17/2016-17 under the Foreign Exchange Management Act, 1999. The Company is in the process of regularizing the defaults by filing necessary applications with the appropriate authority for condonation of delays.
- 8 Excise duty on sales was included under Revenue from operations and disclosed separately under Expenses upto all reporting periods ending 30 June 2017. Post implementation of Goods and Services Tax (GST) with effect from 1 July 2017, revenue from operations is reported net of GST and hence to that extent is not comparable.
- 9 Interest income of ₹ 172 Lakhs which was accruing for the nine months ended 31 December 2017 in respect of the Loans given to the subsidiaries has been deferred by the Company, due to uncertainties with respect to ultimate collection of the outstanding amounts.
- 10 The Company has availed exemption under circular no. CIR/CFD/FAC/62/2016 dated 5 July 2016 issued by the Securities and Exchange Board of India, for not submitting the Ind AS compliant Financial Results for the previous year ended 31 March 2017.

Notes

- 1 The above results were reviewed by the Audit Committee at its meeting held on 13 February, 2018 and have been approved by the Board of Directors of the Company at their meeting held on that date.
- 2 The group adopted Indian Accounting Standard ("Ind AS") from 1 April 2017 and accordingly these financial results have been prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and the other accounting principles generally accepted in India. Consequently, the financial results for the quarter and nine months ended 31 December 2016 have been restated as per the principles of Ind AS 34 to make them comparable.
- 3 In view of the various clarifications being issued by the Ind AS transition facilitation group (ITFG) constituted by the Accounting Standards Board of the Institute of Chartered Accountants of India, It may be possible that the interim financials may undergo adjustments on finalisation of full year Ind AS consolidated financial statements as at and for the year ending 31 March 2018, due to treatments/methods suggested by ITFG on applicability of Ind AS.
- 4 Reconciliation of Net Profit reported under previous GAAP and the Total Comprehensive Income as per Ind AS for the quarter and nine months ended 31 December, 2016 is as per the table below:

- 5 The Company had advanced an inter-corporate deposit to Hubtown Limited during the year ended 31 March 2012. However, in the absence of certainty, the Group had discontinued the recognition of revenue with effect from 1 April 2015. Currently, the Company has entered into a revised agreement with Hubtown Limited and have made subsequent recoveries in accordance with the revised agreement. Accordingly, considering the recent positive developments, the Group has recognized interest income of Rs 762 Lakhs (including unrecognized income of Rs 685 Lakhs till 30 September 2017). Further, the provision towards doubtful recovery of inter-corporate deposit of Rs 100 Lakhs has also been reversed during the quarter ended 31 December 2017. These amounts are forming part of 'Other Income' for the quarter and nine months ended 31 December 2017.
