**EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

**As regards Item No. 5:**

The Board of Directors, based on the recommendation of the Nomination and Remuneration Committee, had appointed Mrs. Uma Acharya as an Additional (Independent) Director on 26th May, 2015. In terms of section 161 of the Companies Act, 2013 ("the Act") read with Article 125 of the Articles of Association of the Company, Mrs. Uma Acharya holds office as an Additional (Independent) Director only up to the date of the forthcoming Annual General Meeting.

Under section 149 of the Companies Act, 2013 read with Schedule IV to the Act, appointment of an Independent Director requires approval of members. Based on the recommendation of the

Nomination and Remuneration Committee, the Board of Directors has proposed that Mrs. Uma Acharya be appointed as an Independent Director of the Company, not liable to retire by rotation, for a term of five years from the date of the Annual General Meeting. The appointment of Mrs. Uma Acharya shall be effective upon approval by the members in the Meeting.

Mrs. Uma Acharya is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given her consent to act as a Director. The Company has received a declaration from Mrs. Uma Acharya that she meets the criteria of independence prescribed under sub-section (6) of Section 149 of the Act and under Clause 49 of the Listing Agreements.

The Company has received a notice pursuant to section 160 of the Companies Act, 2013, along with the requisite deposit, from a member signifying his intention to propose the candidature of Mrs. Uma Acharya as a Director. The notice is available for inspection by the members at the Registered Office of the Company during business hours on any working day up to the date of the Annual General Meeting as also on the website of the Company.

In the opinion of the Board, Mrs. Uma Acharya fulfills the conditions for her appointment as an Independent Director specified in Companies Act, 2013, the Rules made thereunder and the Listing Agreements, and is independent of the management. The Board is of further opinion that Mrs. Uma Acharya possesses appropriate skills, experience and knowledge that will enable her to discharge her duties, roles and function as an Independent Director.

The notice may be treated as information to the members of the candidature of Mrs. Uma Acharya for the office of Directorship of the Company under section 160(2) of the Act read with Rule 13 of the Companies (Appointment and Qualifications of Directors) Rules, 2014.

**Brief Profile:** Mrs. Uma Acharya is a Commerce Graduate and has done her L.L.M. from S.N.D.T. Women's University's School of Law. She is a legal professional with an experience of more than 7 years in the field of law with specialisation in civil, property, securities market and arbitration laws. She is a member of the Bar Council of Maharashtra and Goa. She has worked with the National Stock Exchange of India Limited (NSEIL) as Manager, Investor Services Cell - Arbitration Department and monitored the activities of 14 regional offices across India. Prior to NSEIL, she was working as a Senior Associate with M/s. Jayakar & Partners, Advocates and Solicitors.

Mrs. Uma Acharya holds directorship in Mysore Petro Chemicals Limited.

The other details of Mrs. Uma Acharya in terms of Clause 49 of the Listing Agreements are annexed to the Notice.

The Board of Directors, hence, recommends the Resolution at Item No. 5 of the Notice for the approval of the members by way of Ordinary Resolution.

Except Mrs. Uma Acharya, the appointee, and Mr. Mohan Jayakar, Independent Director and uncle of Mrs. Uma Acharya, none of the other Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the Resolution set out at Item No. 5.

**As regards Item No. 6:**

The other details of Mr. M. N. Sudhindra Rao in terms of Clause 49 of the Listing Agreements are annexed to the Notice.

The Board of Directors, hence, recommends the Resolution at Item No. 6 of the Notice for the approval of the members by way of Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the Resolution set out at Item No. 6.

**As regards Item No. 7:**

The Board of Directors has, on recommendation of the Audit Committee, appointed Mr. Vinayak B. Kulkarni, Cost Accountant (Membership No. 28559), as the Cost Auditor of the Company for the financial year 2015-16 and has also, on recommendation of the Audit Committee, fixed his remuneration.

Rule 14 of the Companies (Audit and Auditors) Rules, 2014 provides that the Cost Auditor shall be appointed by the Board of Directors on the recommendation of the Audit Committee who shall also recommend his remuneration. The remuneration recommended by the Audit Committee shall be considered and approved by the Board and shall be ratified subsequently by the shareholders.

The Directors recommend the Resolution at Item No. 7 of the Notice for the approval by the members of the Company by way of Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the Resolution set out at Item No. 7.

**As regards Item No. 8:**

The contract of Calcutta Compression and Liquefaction Ltd. ("CCNL"), a subsidiary of the Company engaged in gas distribution business in Jharkhand, with ONGC for purchase of the natural gas from ONGC expired on 9th July, 2013 and ONGC had invited fresh tenders for the same. One of the conditions of the tender was that the bidding company must have positive net worth. As CCNL did not have positive net worth, it was ineligible to bid for the tender. Hence, the bid was submitted by a proposed Joint Venture ("JV") between the Company and the Positron Energy Pvt. Ltd. ("Positron"), who is the other shareholder in CCNL. Pursuant to the tendering process, the proposed JV was awarded the contract for supply of natural gas by ONGC on January 03, 2015. ONGC has, in the meanwhile, extended the tenure of its contract with CCNL till the JV commences off-take of the gas.

Accordingly, a JV, EKC Positron Gas Limited, a company limited by shares, has been incorporated under the Companies Act, 2013 with the Company and Positron as its shareholders with their shareholding same as that in CCNL. The Company is required to make investment by way of equity share capital up to ₹ 500,000/- (Rupees Five Lakhs only) in EKC Positron Gas Ltd. for its 72.65% share in the capital of EKC Positron.

Section 186 of Companies Act, 2013 read with Rule 13 of Companies (Meetings of the Board and its Power) Rules, 2014 provide to the effect that no company shall, directly or indirectly (i)

give any loan to any person or a body corporate (ii) give any guarantee or provide any security in connection with a loan to any other body corporate or person and (iii) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, which together with the existing loans and guarantees given, security provided and investments made exceed 60% of its paid up share capital, free reserves and securities premium account or 100% of its paid up share capital, free reserves and securities premium account, whichever is higher, unless the investment or loan proposed to be made, guarantee proposed to be given or security proposed to be provided has the prior approval of the shareholders by way of special resolution. As the aggregate loans and guarantees given and investments made by the Company exceed 60% of its paid up share capital, free reserves and securities premium account or 100% of its paid up share capital, free reserves and securities premium account, approval of the shareholders by way of special resolution is required for making the investment in EKC Positron. Hence, this Resolution.

The Directors recommend the Resolution at Item No. 8 of the Notice for the approval by the members of the Company by way of Special Resolution.

None of the Directors and Key Managerial Personnel of the Company have any beneficial shareholding interest in EKC Positron Gas Limited.

Except for Mr. P. K. Khurana, Mr. Pushkar Khurana and Mr. Puneet Khurana none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financial or otherwise, in the Resolution set out at Item No. 8.

## PERFORMANCE REVIEW

During the financial year 2014-15, there being no improvement in the economies, business conditions and environment, the demand and operations remained, like in the preceding three years, under stress across most business geographies and segments. Resultantly, the topline witnessed de-growth, with concomitant impact on the bottomline. The Finance Charges continued to remain a major contributor to the Net Loss during the financial year.

On standalone basis, for the financial year 2014-15, revenues at ₹ 19,720.60 Lakhs were lower by around 10.92% over the previous year's revenues of ₹ 22,137.65 Lakhs and Net Loss at ₹ 9,913.09 Lakhs saw increase by around 10.89% over the previous year's Net Loss of ₹ 8,833.22 Lakhs. The Net Loss for the financial year 2014-15 includes provision of ₹ 1,980.00 Lakhs made in respect of the value of the investments in two subsidiary companies. On consolidated basis, revenues for financial year 2014-15 at ₹ 48,877.25 Lakhs were lower by around 3.59% over the previous year's revenues of ₹ 50,694.86 Lakh and Net Loss at ₹ 9,772.25 Lakhs saw a decrease by around 29.27% over the previous year's Net Loss of ₹ 13,816.20 Lakhs.

## CONSOLIDATED FINANCIAL STATEMENTS

In accordance with Section 129 of Companies Act, 2013 and the Accounting Standard AS-21 on Consolidated Financial Statements, the Audited Consolidated Financial Statements are provided in the Annual Report. As a significant part of the Company's business is conducted through its subsidiaries, the Directors believe that the consolidated accounts provide a more accurate representation of the performance of the Company.

## INTERNAL FINANCIAL CONTROLS

The Company has adequate Internal Financial Controls with reference to the financial statements which result in timely preparation of financial statements that provide true and fair view of the financial results and financial position. The Internal Financial Controls are being followed and adhered to.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report for the financial year 2014-15, as stipulated under Clause 49 of the Listing Agreements with the Stock Exchanges, is presented in a separate section forming part of the Annual Report.

## DIVIDEND

The Directors have not proposed any dividend for the financial year in view of the loss during the year and absence of accumulated profits.

## CREDIT RATING FROM CARE RATINGS

In respect of the borrowings of the Company, CARE Ratings have, during the year, downgraded the Long Term and Short Term Ratings, as under:

#### APPENDIX A

To,  
 The Members,

**Everest Kanto Cylinder Limited**

Our report of even date is to be read along with this letter.

1. The responsibility of maintaining Secretarial record is of the management and based on our audit, we have expressed our opinion on these records.

2. We are of the opinion that the audit practices and process adopted to obtain assurance about the correctness of the Secretarial records were reasonable for verification on test check basis.
3. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
5. The management is responsible for compliances with corporate and other applicable laws, rules, regulations, standards etc. Our examination was limited to the verification of procedure on test basis and wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations etc.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

#### **Annexure 2: Conservation of Energy, Technology Absorption and Foreign Exchange and outgo**

Information pursuant to section 134(3)(m) of the Companies Act, 2013, read with the Companies (Accounts) Rules, 2014 in respect of conservation of energy and technology absorption:

##### **A. Conservation Of Energy:**

###### **I. Measures to achieve efficiency in energy utilization:**

As a responsible corporate citizen, the Company is taking all possible measures to achieve efficiency in energy utilization, such as:

- a. Efficiency in the use of electrical energy by installing power efficient equipment at all the plants/offices.
- b. Efficiency in the use of Thermal energy like trying out different fuels, improvements in fuel burners, minimizing heat losses by improved insulation, etc.
- c. We have added a small furnace for heat treatment of small cylinders only. These were hitherto being heat treated in large furnace resulting in loss of energy.
- d. Furnaces consume large amounts of fuel so it is preferred to ensure they run with high load factor with least number of starts and stops. This is achieved now by sharing the furnace capacity with output of additional hot spinning machine.
- e. Efforts are made to streamline processes to reduce down times. This ensures uninterrupted production with least idling thereby reducing energy requirements per cylinder.
- f. Successfully develop cascades for use with BIO METHANE for storage and conveying. The Bio-methane is produced by conversion of bio waste in digesters to produce the gas and organic fertilizers which are very rich.
- g. Developed industrial cylinders for Hydrogen to be used for Fuel Cell applications. Hydrogen is considered as fuel of the future due to zero pollution it would generate.
- h. Due to industrial turndown we have cut down on the entire shifts instead of running the plants partially for all the shifts. This has resulted in power savings.

## II. Energy Conservation measures undertaken at the Plants:

Following measures are continuously undertaken to conserve energy at the Plants:

1. Installation of VF drive and programmable logic controls for paint booth suction blower for cyclic speed swings, thereby reducing power consumption per cylinder.
2. Use of High Density Poly Ethylene and FRP (Fibre Glass Reinforced Plastic) pipe lines to reduce the pressure losses consequently leading to lower energy requirement.
3. Deployment of distributed pumping stations and cooling towers to save energy.
4. Installation of larger heat exchangers and making use of cooling tower water in place of cold water from refrigerated chillers.
5. Servicing of furnace burners in order to improve combustion efficiency of furnaces.
6. Installation of automatic shut-off devices on air compressors to ensure they shut down when compressed air demand is low.
7. Installation of energy saving transformer for lighting.
8. Installation of automatic power factor control panels with capacitors at various load centres for keeping the currents at lower level and also for keeping the power factor under control. Savings will also be made due to the incentive offered for better power factor by the electricity companies.
9. Medium bay light fittings in factory sheds at optimum locations in place of high bay fittings which consume more power and give uneven light. Help of special lighting software from light fittings suppliers was taken for this purpose.
10. Installation of wind driven roof ventilators for ventilation to save electrical energy.
11. Installation of transparent windows in addition to the transparent roofing sheets in the side walls of the taller sheds for better ventilation and lighting.
12. Use of boiler in place of usual method of thermic fluid heating for heating requirement in surface treatment plant. With steam it is possible to transmit much higher heat per kg of water pumped, which leads to major energy saving.
13. Installation of new furnaces with higher thickness of insulation to reduce heat loss and thereby save energy.
14. Installation of camel back style oven for the painting system to avoid funneling of air and resultant heat losses.
15. Installation of zero discharge Effluent Treatment Plant with multiple effect evaporators. This reuses steam and reduces energy consumption. Additionally, the recovered water is reused in the process.

16. Installation of more wind driven roof ventilators as energy saving devices.

17. Installation of more power saving transformers for the lighting load.

## III. Impact of measures on reduction of energy consumption and consequent impact on the cost of production of goods:

The Company has also started to benefit in the area of energy conservation through its wind power projects. The Company had undertaken Wind farm projects at Kandla in the state of Gujarat and Satara in the state of Maharashtra, the brief details of which are given in the following table:

Place of Installation	No. of Wind-mills installed	Energy Generation Capacity	Investment (₹ in Lakh)	Energy Generated during the year	Energy Generated during previous year
Kandla, Gujarat	1	1.650 MW	1,125.00	1,931,060.00 units	2,216,142.84 units
Satara, Maharashtra	3	3 x 0.225 MW = 0.675 MW	349.14	607,178.19 units	660,070.06 units

- a. The wind farm projects as mentioned in the preceding parts have been undertaken in the states of Gujarat and Maharashtra, where the Company is having its own manufacturing facilities. Considering the present power policy of Governments, the Company has directly benefited in terms of captive consumption of energy generated by aforesaid wind farm and also from the sale of power generated from these wind mills.
- b. At Satara, the energy generated is sold to Maharashtra State Electricity Board as per the Government's policy.

## IV. The details of energy consumption are given below. These details cover the operations of the Company's factories at Tarapur, Gandhidham and KASEZ

Particulars	Current Year	Previous Year
A) Power and Fuel consumption:		
a) Electricity purchased		
Units (kwh in Lakhs)	123.59	153.68

d) LPG purchased		
Units (Kg. in Lakhs)	8.22	9.02
Total Amount (₹ in Lakhs)	464.31	579.59
Rate per Kg. (₹)	56.47	64.25
B) Consumption per unit of production:		
i. Electricity (kwh / MT)	1,026.92	1,039.38
ii. Oxygen (Cu.M / MT)	40.48	34.49
iii. LDO (Ltr. / MT)	61.05	62.20
iv. LPG (Kg. / MT)	68.31	61.01

#### B. Technology Absorption, Adaptation and Innovation:

The Management understands the importance of technology in the business segments it operates in and lays utmost emphasis on the systems development and the use of cutting-edge technology available in the industry. The management keeps itself abreast with technological advancements in the industry and ensures continued and sustained efforts towards absorption of technology, adaptation as well as development of the same to meet business needs and objectives. The Company has procured the latest equipment and its personnel are trained from time to time, on the use, operation and maintenance of such highly sophisticated equipment.

#### Technology Absorption

- At the Gandhidham plant complete process was set up to manufacture cylinders from steel billets, without any technical collaboration or help from other company. This major step has made EKC the only manufacturer in India to make these forged bottom – Billet Pierced Cylinders. It has opened up new markets which were hitherto inaccessible.
- One major landmark achievement is the qualification received to manufacture cylinders to the US Department of Transportation (US DOT). This was achieved under very strict controls from the officers of the USA Federal Government Department of Transportation DOT. This qualification would open the USA market which was hitherto most difficult to enter.

#### Innovation

- New cylinder models are developed to meet varying needs of different overseas standards which are much stringent than the standards which we operated till now. Development of Tube Trailer Technology for customer in South America. This is a State of the Art customized solution for bulk transportation of CNG.
- For the first time in India, developed Ultra Large Cylinder for Hydrogen, working at 300 bar. This is for a prestigious project of Indian Space Research Organization (ISRO).

#### Use of Robotic Technology

Material handling in plate cylinder plant poses challenges in the areas of human safety and accuracy of placement combined with speed.

The shapes are difficult to handle, the parts are heavy, and at some stations, they are with special lubricant. This makes them very difficult to manually handle.

We have employed numerically controlled robots, also gantry type pick and place robots. These are supported by a network of various conveyors which are controlled by computers.

High speed robots are covered in robotic enclosures complying with European Standards to ensure human safety.

#### C. Foreign Exchange Earnings and Outgo:

Total foreign exchange used and earned:

(₹ in Lakh)

Particulars	Current Year	Previous Year
I. Foreign Exchange used	8,038.39	9,965.75
II. Foreign Exchange earned	1,411.94	3,118.76

## MANAGEMENT DISCUSSION & ANALYSIS

### FORWARD - LOOKING STATEMENTS

This report contains forward looking statements identified by words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' or other words of similar meaning. All statements that address expectations or projections about the future, including, but not limited to the Company's strategy for growth, product development, market position, expenditures and financial results, are forward - looking statements. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realised. The Company's actual results, performance or achievements could thus differ materially from those projected in any forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events.

### OVERVIEW

The Financial Year 2014-15, like the previous years, continued to remain difficult, challenging and daunting for the overall world economy, domestic economy and the Company, though there are some signs of improvement in some pockets. The US economy showed some improvement signaled through employment data, housing market, etc., which prompted the US Fed to completely phase out the Quantitative Easing measures. The European and Japanese economy continued their painfully low growth trends, with no major signs of improvement, despite the interest rates being maintained at historically low levels, and prompting their central banks to adopt / increase Quantitative Easing measures to historical high levels. China's economy too continued to further slowdown impacting the demand for and prices of commodities the world over and, thus, the economies dependent on commodity exports, and prompting the Chinese central bank to embark on series of interest rate reduction. The world economy was also impacted during the year with sudden fall in the price of crude oil due to the combination of production glut and low demand, adversely impacting the oil producing countries and benefiting the oil importing countries.

During the year, the Indian economy showed signs of improvement, especially after the NDA government came to power with absolute majority in the Lok Sabha, which heralded in expectations of speedy reforms, commencement of investment cycle, and end of the era of policy log-jam. The economy was further aided with the steep and sudden fall in the price of crude oil, which benefited the economy on multiple fronts. Various economic parameters improved. Wholesale as well as CPI inflation has come down to comforting levels, current account deficit has seen drastic reduction, fiscal deficit is in check and the interest rates are expected to move southwards. The GDP at constant prices (considering the change in the base year by

CSO) grew from 5.1% in 2012-13 to 6.9% in FY 2013-14 and is expected to increase to 7.4% in 2014-15 and over 8% in 2015-16, with double digits growth in later years. Such growth expectation is on the basis of the reforms measures already initiated and to be initiated, such as, de-regulation of diesel prices, taxing energy products, replacing cooking gas subsidy by direct transfer on national scale, reforms in coal and mining sector, increase of FDI cap in defence, Make in India initiative, Jan Dhan Scheme, Swatch Bharat movement, Skilling India movement, far reaching changes in revenue sharing between Centre and States, implementation of GST, proposal for housing for all by 2022, 100 Smart Cities projects, reforms in Railways, etc. However, various challenges still remain, such as, mounting NPAs of PSU banks, continuation of investment paralysis, high level of corporate debt, high overall fiscal deficit, El Nino effect on monsoon, slow industrial growth, etc.

### DOMESTIC BUSINESS

The continuing slow-down and erratic periodic pattern of the industrial sector growth during the year maintained its adverse impact for the demand for the Company's product. While the demand situation in the automobiles sector improved slightly during the year, it did little to improve the demand for CNG cylinders. The sharp decline in the retail prices of petrol and diesel consequent upon the fall in the crude oil price, on the one hand, and the increase in the pump price of CNG due to increase in the price of natural gas from USD 4.2/MMBTU to USD 5.6/MMBTU, on the other, narrowed the difference in prices of petrol/diesel and CNG, thereby acting as a disincentive for conversion of vehicles from petrol to CNG, thereby adversely impacting the demand for CNG cylinders in the retrofit market. The imposition of Safeguard (Import) Duty of 20% by the Government from August 2014 on imported steel tubes (raw material) up to certain sizes to protect the domestic steel industry added to the woes of the Company and the enhanced duty could not be fully passed on to the customers due to the weak demand. The business situation can improve only on change of key relevant macro parameters, such as, increase in availability of domestic natural gas at reasonable prices, which would enable the government to roll-out its City Gas Distribution policy to many more cities and also enable more CNG outlets to be opened, higher allocation of natural gas by the Government for the CGD sector by moving the sector higher on the priority list, improvement in investment cycle which will spur industrial growth consistently creating demand for industrial cylinders, increase in demand for automobiles run on CNG, increased thrust of Government on environment and pollution-reduction, etc. Being the market leader with highest market share and with the large installed capacity, established infrastructure and diverse product range, the Company will be the biggest beneficiary on the happening of these macro level improvements.

## INTERNATIONAL BUSINESS

### (a) Dubai Operations

The Dubai operations which have been under strain since the third quarter of 2011 due to the sudden closure of its dominant Iran market due to economic sanctions imposed upon it continued to remain so. However, with the thawing of the relations between Iran and USA, there are increased expectation of the sanctions getting lifted and the Iran market reopening, which will bode well for the Dubai operations. The new markets in South America, CIS countries, Europe, etc. that have been developed are gaining traction and stability. However, the volumes and the margins continue to be low. The Dubai operations has started dealing in industrial cylinders and cascades and tapping the Gulf market.

### (b) USA Operations

The US operations have done relatively well during the year, in terms of turnover and margins. The order book position has improved and looks encouraging, with larger proportion of high margin orders. The business prospects remain promising due to the expected uptick in the US economy and the encouragement to the natural gas sector prompted by the shale gas discovery (despite the recent challenges due to decline in crude oil price) and improvement in natural gas supply and distribution infrastructure. The Composite Cylinders did not see the expected ramp up in volumes due to the initial technical and other hitches, which have now been overcome. Going forward, this business is expected to grow well and will provide the required diversification, adding significantly to the revenue and margins. However, Composite Cylinder product development costs and other one-time charges dented the financial results at the net level. The US operations obtained the DOT approval during the year after rigorous approval process over 24 months; this will enable marketing of Industrial Cylinders in the US, which will be sourced from India and Dubai. In the consolidated financials, the intangible assets acquired at the time of the acquisition of the US subsidiary in 2008 continue to be amortised over eight years as per the Indian Accounting Standards.

### (c) China Operations

The China operations continue to remain under severe strain due to the intense competition from the local players who are much large in size and product range, exerting demand and pricing pressures. The slowdown in the Chinese economy and the tough operating environment in China, especially for foreign players, also impacted the operations. The Company continued its thrust on Jumbo Cylinders in niche segments due to better realization and margins and lower competition but several challenges remain. The Composite Cylinders business did not grow as anticipated due to smaller volumes and regulatory issues. As a result, the plants operated at sub-optimal capacity. The

China operations now acts as raw material sourcing hub for the India, Dubai and USA operations, which will yield some margins to it, while reducing the overall raw material costs of the other operations

### (d) Europe Operations

The Europe subsidiary has developed the Europe market and clientele and will procure Cylinders from India, Dubai and USA plants. The subsidiary has played crucial and stellar role in Composite Cylinder product development for the US plant by providing in-house expertise.

## STRENGTHS

EKC's continued resilience in successfully weathering all business and operational challenges over long time frame is reflective of its strengths which are summarized below:

### 1. Strong Management

EKC has a strong, able, committed and highly experienced management with over three decades of solid technical, marketing and general management experience in the High Pressure Cylinder industry. The experience of the Company's management team is a key competitive advantage. Top officials of EKC have been associated with the Company for a long period of time which provides depth and continuity of management.

### 2. Sustained Leadership in Domestic Market

EKC is the pioneer in India of High Pressure Seamless Cylinders business since 1978 and is India's largest player with highest market share, mainly on account of its long history in business and adherence to the highest quality standards and the largest production capacity. EKC also benefits from having the first mover advantage. This coupled with strong relationships on the raw material supply chain, quality certifications and a strong safety track record has helped EKC to maintain its leadership position.

### 3. Dominance in Export as well as Local Markets

EKC Group exports to over 25 countries all over the world including countries in South East Asia, Middle East, Africa, US, Europe, South America and Commonwealth of Independent States Countries. Most of them have the stringent quality standards and value driven norms for the products supplied by EKC. This demonstrates EKC's global competitiveness, world class quality of its products and superior logistical capabilities. The Company has also been able to maintain its dominant share in the domestic market. Revenue from markets outside India now represents almost 67% of the Group's total revenues.

### 4. High Quality Products

The cylinders manufactured by EKC have earned a global reputation for their high standard of quality and compliance with the most stringent specifications laid down by

international bodies and local authorities. EKC manufactures cylinders conforming to Indian Standards like IS 7285 (Part 1), IS 7285 (Part 2) and IS 15490 and International standards like ISO: 11439, ISO: 9809-1, NZS: 5454, ISO: 4705D, EN: 1964, ISO: 11120, ECE R-110.

## 5. Large Capacity and Wide Product Range

The Company, along with its subsidiaries, has set up global scale capacities aggregating to more than 1.3 Million cylinders per annum, across various plants in India and overseas manufacturing a wide and versatile range of high pressure seamless cylinders, viz.

- Industrial Gas Cylinders (manufactured from tubes)
- Industrial Gas Cylinders (manufactured from billets)
- CNG Cylinders (manufactured from tubes)
- CNG Cylinders (manufactured from plates)
- CNG Cylinder Cascades
- Jumbo Cylinders
- Jumbo Skids
- Type II Composite Cylinders
- Type IV Composite Cylinders

The Company provides cylinders with water capacities that range between 1 litre and 3000 litres and also supplies cylinders in customised sizes, with large range of applications, including Defence. Because EKC has the ability and is flexible to meet any specification, it has a broad customer base across the globe.

## 6. Supply Chain and Customer Relationships

The Company maintains cordial and ethical business relationships with its value chain partners, such as its key raw material suppliers, gas distributors, OEMs and regulatory authorities like the Chief Controller of Explosives, Bureau of Indian Standards and other statutory bodies in India and abroad, and with all its customers.

## 7. Quick Delivery to Customers

EKC has the ability to manufacture and deliver cylinders of different sizes and varied specifications from its multiple operating units. This results in quick delivery to the customers.

## 8. Investment in New Technologies

EKC has made significant investments in newer and alternate technologies which would ultimately enable it to reach leadership status globally. Also, it is the only Company in India to use alternate technologies and raw materials in its new plants. This has enabled EKC to broaden its raw material supply chain which would lead to lower cost of production and better working capital management as also to broaden its product offerings. The greenfield project at

Kandla for plate based CNG cylinders would enable it to cater to the niche OEM segment in India and overseas through supply of light weight and more value added cylinders as and when the demand for such Cylinders materialises. Also, as mentioned above, the US and China subsidiaries have invested in the lighter weight and more preferred Composite Cylinders plants.

## 9. Group Synergies

EKC's presence in much geography through subsidiaries affords its operations tremendous synergies. EKC China is now acting as raw material sourcing hub for the India, Dubai and US operations as the plants in the three locations source bulk of their raw materials from China. This will enable EKC to source the raw materials for all the operations at lower costs due to larger combined volumes. Similarly, EKC Europe will scout business in Europe for the plants in India, Dubai and USA. Inventory management is also optimized with movement of goods from one operation to the other, depending on requirements. The group also benefits from exchange of technical know-how and skills.

## 10. Investment in Human Talent

All employees are important to the Company and it believes that its employees are particularly critical to its business, as they are responsible for understanding customer expectations, ensuring consistent and quality service delivery. The employees are essentially the glue that keeps the entire organization together. The Company intends to continue to invest in developing and grooming its employees.

## CHALLENGES, RISKS & CONCERNS

### 1. Raw material intensive industry

Seamless steel tubes are the principle raw material used by EKC. The quality of cylinders produced is directly dependent on the quality of raw material used. There are only a few seamless tube manufacturers globally who meet the stringent quality specifications. As the seamless tubes are fully imported by the Company, adequate level of raw material inventory has to be maintained at all times to ensure quick turnaround time for orders received. Any volatility in the prices or increase in the import duty rates or disruption in availability of raw material can impact the profitability of the Company. However, EKC has strong relationships with the existing raw material suppliers and is constantly developing new sources of supplies which will enable the Company to reduce its raw materials cost. Going a step further to reduce supplier risk, EKC has setup facilities using alternate manufacturing process and cheaper raw materials such as billets and plates. Further, as a cost reduction and supply risk mitigation factor, EKC China now sources the raw material for all operations.

## 2. Competition

Although EKC is the market leader in India with majority share, many players have put up high pressure cylinder manufacturing capacities. However, these capacities can only be utilized with growth in demand which is dependent to a large extent on increase in the overall industrial and manufacturing growth, Government policies and impetus from the Government by increasing the supply of gas, covering more cities under the City Gas Distribution policy and improving the gas infrastructure all over the country. Besides, the increasing competition has resulted in an overall margin contraction at the industry level. Despite the challenge posed by the increase in competition, EKC continues to dominate the market place. This is on account of EKC's long standing in the business and goodwill, superior customer reach, wide range of products offered, stronger financial muscle and use of alternate technologies and raw materials. However, a good development on this front is that many marginal and small players have either fully curtailed their operations or reduced them considerably due to the prevalent difficult business environment and conditions over the past few years, in which they were unable to sustain themselves. This bodes well for us as this will reduce the competition going forward.

## 3. Slow Growth in Sales of CNG Cylinders

Because of the regulatory impasse and lack in wide spread availability of gas, the overall growth and development of the CNG infrastructure has not been robust in the Country. Only regulatory push can lead to increased usage of CNG which will ultimately result in cost benefit to consumers due to CNG's inherent cost advantage vis-à-vis other auto fuels. Energy content per kilogram of CNG is comparable to that of petroleum based fuels. Usage of CNG in vehicles results in higher mileage per unit due to its superior combustion characteristics.

## 4. Domestic CNG Growth Dependent on Government Policies and Plans

The growth in CNG cylinder market for storage and transportation of CNG would be dependent on Government plans and initiatives to switch over to alternative fuel. However, with natural gas being progressively made available in most parts of the Country and the rising cost of fuels (except for the fall in prices witnessed since the second half of the year), it is expected that the Government policies would be progressive favoring CNG as a fuel. The recent judicial activism at the highest level resulting which the Government has been mandated to have uniform natural gas prices across India is a beneficial development, which will improve the availability of CNG at reasonable cost across India, which will induce consumers to switch over to CNG vehicles. This would lead to an accelerated growth in the CNG cylinder industry. Policy decision by the Government to de-regulate diesel prices will turn some of the demand to

CNG. The expected increase in supply of domestic gas due to the gas price hike will add impetus to the demand in the long run.

## 5. Slowdown in the Industrial Sector and Indian Automobile Industry Negatively Impacts the Company's Growth

Industrial gas manufacturers and other manufacturing sectors are major customers for Industrial Cylinders. Any slowdown in manufacturing sector adversely impacts the demand for Industrial Cylinders. OEMs and retrofitters are the major customers of EKC's CNG cylinders in the automobile sector. Any slowdown in cylinder off take from OEMs in India will adversely affect EKC's operations/production plans. However, demand from other global markets helped in off setting the slowdown in the Indian auto sector. EKC, as a Group, has actively started looking at interesting overseas markets in Euro zone and USA. EKC is gearing itself up to obtain required approvals to comply with technical and statutory requirements of these markets.

## 6. Volatile Steel Prices

Volatility in seamless steel tube prices will affect the demand if the increase in price is passed on to the customers. If the increase in price is not passed on to the customers it may lead to contraction in the margins.

## 7. Fluctuation in Foreign Currency

Any adverse change in the exchange rate between the US Dollar and the Indian rupee has a negative impact on EKC's results of operations and financial condition as the seamless steel tubes (raw material) are fully imported and to the extent of the borrowings denominated in foreign currency.

The Company's treasury function actively tracks the movements in foreign currencies and has an internal risk management policy of proactively balancing between hedging of the net exposures and the cost thereof.

## 8. Fluctuations in Interest rate

EKC is subject to risks arising from interest rate fluctuations. EKC group borrows funds in the domestic and international markets to meet the long-term and short-term funding requirements for its operations and funding its growth initiatives.

## FUTURE PERSPECTIVE

### 1. Capacity expansion to drive growth

EKC has over the years successfully undertaken expansion plans at domestic as well as global levels to retain its leadership position in the industry. The Company has also set up plants using alternative technologies and raw materials to stay ahead of the competitors, reduce input costs risks and to offer more product range to customers. The Billet plant at Gandhidham with a capacity of 120,000

per annum will produce cylinder shells through billet – piercing technology with focus on the growing Industrial Cylinder demand. Billets, unlike steel tubes, are available indigenously. Besides, the Company has also set up a Greenfield 250,000 CNG cylinders plant in the Kandla Special Economic Zone (KASEZ) which uses the steel-plate deep drawing process. These cylinders are lighter in weight and are of better quality and command premium over the tube based cylinders. CNG vehicle manufacturers will show increasing preference for plate cylinders as vehicles fitted with these cylinders have better fuel efficiency.

Besides, as discussed above, the US and China subsidiaries have set up Type IV and Type II Composite Cylinders plants respectively which will cater to the discerning segment of the market which prefer these light weight though higher priced cylinders.

Due to the world scale capacity set up by the Company, the Company is well poised to tap the markets as and when the demand picks up.

## **2. Increasing demand for Industrial Cylinders**

The gas industry relies heavily on cylinders to store and transport gases. EKC is flexible to meet any specification. This has resulted in a broad customer base of companies supplying industrial gases across the globe. The demand for cylinders is directly proportional to the demand for industrial gases.

With the expected increase in the economic growth and the improvement in investment scenario pursuant to Make in India, Swatch Bharat and other initiatives of the Government, the outlook for the growth in demand for industrial gases over the next five years is favourable. This is expected to augur well for EKC which has set up high manufacturing capacity of industrial cylinders. And with the commissioning of the billet cylinders plant, the position has further strengthened with large industrial gases companies preferring these cylinders. The obtaining of DOT approval by the US operations will facilitate marketing of Industrial Cylinders in the hitherto untapped US market, which is fairly large.

## **3. Increasing Natural Gas Availability**

With the increasing natural gas availability the world over (example, the USA), the natural gas vehicles are being preferred and promoted by Governments of many countries. Coupled with the increasing environment consciousness, the demand for natural gas vehicles and, thus, the cylinders to bottle the gas is set to increase over medium to long term.

resulted in substantial loss, mainly on account of interest on borrowings and provisions made for investments in EKC China and Calcutta Compressions and Liquefaction Ltd. The expected improvement in the economic and business environment after the new Government came to power earlier during the year did not materialize and the ground scenario for the Company's business remains almost the same.

## **INTERNAL CONTROL SYSTEM**

The Company believes in formulating adequate and effective Internal Control Systems and implementing the same strictly to ensure that assets and interests of the Company are safeguarded and reliability of accounting data and accuracy are ensured with proper checks and balances. The Internal Control System is improved and modified continuously to meet the changes in business conditions, statutory and accounting requirements.

The Company has an internal audit function, which is empowered to examine the adequacy and the compliance with policies, plans and statutory requirements. It is also responsible for assessing and improving the effectiveness of risk management, control and governance process. The management of the Company duly considers and takes appropriate action on the recommendations made by the Statutory Auditors, Internal Auditors and the independent Audit Committee of the Board of Directors.

The prevailing system of internal controls and internal audit are considered to be adequate vis-à-vis the business requirements. In order to further strengthen the internal control systems and with a view to automating the various processes of the business, EKC is implementing an Enterprise Wide Resource Planning (ERP) system.

## **HUMAN RESOURCES AND INDUSTRIAL RELATIONS**

EKC continued to place emphasis on human capital and aims at creating a corporate culture that respects people, develops and trains them to deliver high quality performance and rewards talent and performance with growth opportunities.

As of 31st March, 2015, EKC and its subsidiaries employed approximately 372 employees. This comprises of highly qualified and experienced professionals from various fields like engineering, finance and management. Employee Relations continue to be cordial and harmonious.

## **FINANCIAL PERFORMANCE VIS-À-VIS OPERATIONAL PERFORMANCE**

The last year has again been very difficult for the Company on account of the continued challenges presented by the economic environment, local as well as international. The operations

## REPORT ON CORPORATE GOVERNANCE

### 1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The Company's essential character is shaped by the very values of transparency, integrity, professionalism, accountability and overall customer satisfaction. The Company continuously endeavors to improve on these aspects. The Board views Corporate Governance in its widest sense. **C. NOMINATION AND REMUNERATION COMMITTEE**

**(a) Terms of Reference**

The Nomination and Remuneration Committee has been re-constituted during the year under the provisions of Section 178 of the Companies Act, 2013 and the terms of reference of the committee are:

- To identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down;
- To recommend to the Board their appointment and removal;
- To carry out evaluation of every Director's performance;
- To formulate the criteria for determining qualifications, positive attributes and independence of a Director; and
- To recommend to the Board a policy, relating to the remuneration for the Directors, Key Managerial Personnel and other employees.
- While formulating the Policy, the Committee should ensure that-
  - the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the company successfully;
  - relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
  - remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.

- vii. To carry out any other function as may be stipulated by any law or regulation or any Government guideline or the Board of Directors, from time to time.

**(b) Nomination and Remuneration Policy**

As required under Clause 49 of the Listing Agreements, the Board has formulated a Nomination and Remuneration Policy providing for matter prescribed under the Listing Agreements. The policy has been posted on the Company's website. The web link for the policy is <http://www.everestkanto.com/policies.html>

The Nomination and Remuneration Policy of the Company is performance driven and for considering the remuneration payable to the Directors, the Nomination and Remuneration Committee considers the performance of the Company, the current trends in the industry, the experience of the appointee(s), their past performance and other relevant factors. The primary objective of the Policy is to provide a framework and set standards for the nomination, remuneration and evaluation of the Directors, Key Managerial Personnel and officials comprising the Senior Management. The Company aims to achieve a balance of merit, experience and skills amongst its Directors, Key Managerial Personnel and Senior Management.

**(c) Composition of the Nomination and Remuneration Committee**

**(d) Meetings of the Remuneration Committee**

During the year under review, two meetings of the Committee were held on 10th February, 2015 and 14th March, 2015.

**(e) Payment to Directors**

**i. Remuneration to Managing Director/Executive Directors:**

The appointment of the Managing Director and Whole-Time Directors is governed by resolutions passed by the Board of Directors and Shareholders of the Company, which covers the terms of such appointment.

Remuneration paid to the Managing Director and Whole-Time Directors is recommended by the Nomination and Remuneration Committee, approved by the Board and is subject to the overall limits as approved by the Shareholders and as provided under the Companies Act, 2013.

In view of the losses during the Financial Year 2014-15, Mr. P. K. Khurana, Chairman and Managing Director, could draw the minimum remuneration of ₹ 61,94,523/- per annum (excluding Contribution to Provident Fund, Superannuation Fund and Gratuity Fund) as per the limits provided under Schedule V to the Companies Act, 2013. However, Mr. P. K. Khurana has decided not to draw even this remuneration (from November 1, 2013) till the financial position of the Company improves.

Application by the Company for approval by the Central Government of the excess remuneration paid in the financial year 2012-13 to the Managing Director has been made on May 30, 2013. The approval of the Central Government has been received on 19th February, 2014 for Mr. Puneet Khurana & Mr. P. M. Samvatsar. Whereby the Central Government has approved 50% of the remuneration paid to the Directors during the year. The Directors have refunded the excess remuneration on 27th March, 2014 to the Company.

**ii. Sitting Fees & Commission to Non - Executive Directors**

The Non-Executive Directors, except Mr. Pushkar Khurana and Mr. Puneet Khurana, are paid sitting fees at the rate of ₹ 20,000/- for attending each meeting of the Board and ₹ 10,000/- for attending each meeting of the Committees.

In view of the absence of profits during the financial year 2014-15, no commission has been paid to Non-Executive Directors.

In respect of the financial year 2014-15, the sitting fees paid to the Non - Executive Directors are as detailed below:

## CERTIFICATE ON CORPORATE GOVERNANCE

**To the Members,  
Everest Kanto Cylinder Limited**

We have examined the compliance of conditions of Corporate Governance by Everest Kanto Cylinder Limited ('the Company') for the year ended March 31, 2015, as stipulated in Clause 49 of the Listing Agreement of the said Company with Stock Exchanges in India.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on the representations

made by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Agreement.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## INDEPENDENT AUDITORS' REPORT

### To the Members of Everest Kanto Cylinder Limited

#### Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of Everest Kanto Cylinder Limited ("the Company"), which comprise the Balance Sheet as at 31 March, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information, in which are incorporated the returns for the year ended on that date audited by the branch auditors of the Company's branch at Dubai.

#### Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable

assurance about whether the standalone financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

#### Basis for Qualified Opinion

8. As stated in clause 18 of Note xxvii to the financial statements, the Company's current investments, as at 31 March, 2015, include an investment amounting to ₹ 6,925.07 Lakh (as at 31 March, 2014 ₹ 6,925.07 Lakh) in its wholly owned subsidiary in China, EKC Industries (Tianjin) Co. Ltd., whose financial statements as at 31 March 2015 indicate significant accumulated losses and net worth being substantially eroded, however, a provision of only ₹ 1,500 Lakh has been recognized in the books for diminution in value of investments. In the absence of sufficient appropriate evidence, we are unable to comment upon the carrying value of this investment and the consequential impact, if any, on the accompanying financial statements.

#### Qualified Opinion

9. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally

accepted in India, of the state of affairs of the Company as at 31 March, 2015, and its loss and its cash flows for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

11. As required by Section 143(3) of the Act, we report that:

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
- c. the report on the accounts of the branch office of the Company audited under Section 143(8) of the Act by the branch auditors have been sent to us and have been properly dealt with by us in preparing this report;
- d. the standalone financial statements dealt with by this report are in agreement with the books of account and with the returns received from the branches not visited by us;
- e. except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

f. on the basis of the written representations received from the directors as on 31st March, 2015 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164(2) of the Act;

g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. as detailed in clause 2 of Note xxvii to the standalone financial statements, the Company has disclosed the impact of pending litigations on its standalone financial position;
- ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. following are the instances of delays in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

### Annexure to the Independent Auditor's Report of even date to the members of Everest Kanto Cylinder Limited, on the financial statements for the year ended 31st March, 2015

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
- (b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory and no material discrepancies between

physical inventory and book records were noticed on physical verification.

- (iii) The Company has granted secured loan to a company covered in the register maintained under Section 189 of the Act; and with respect to the same:
- the principal amount is not due for repayment currently however, the receipt of the interest is not regular.
  - there is no overdue amount in respect of the principal amount of the loan granted exceeding ₹ one lakh. Reasonable steps have been taken by the Company for the recovery of the overdue interest exceeding ₹ one lakh.
- (iv) In our opinion, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, no major weakness has been noticed in the internal control system in respect of these areas.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of Statute	Nature of Dues	Amount (₹ in Lakh)	Amount Paid Under Protest (₹ in Lakh)	Period to which the amount relates (Assessment Year)	Forum where dispute is pending

15. In accordance with Accounting Standard – 17 'Segment Reporting, segment information has been given in the Consolidated Financial Statements of the Company and, therefore, no separate disclosure on Segment information is given in these financial statements.
16. The Company has an investment of ₹ 200 Lakh in 2,000,000 Equity Shares of GPT Steel Industries Private Limited (GPT). Based on the financial statements of GPT, its Net Worth has fully eroded. The Company had made an assessment during the year 2010-11 and had accordingly provided for 100% diminution in value of investments made in GPT. The position at the end of this financial year remains the same.
17. As on March 31, 2015, the Company is holding majority stake of ₹ 431.72 Lakh (₹ 431.72 Lakh as on March 31, 2014) in its subsidiary, Calcutta Compression & Liquefaction Engineering Limited (CC&L). Further, the Company has loans and other receivables, aggregating ₹ 1,328.09 Lakh (₹ 1,068.91 Lakh as at March 31, 2014) due from it. The Net Worth of CC&L has fully eroded. Provision for impairment of ₹ 431.72 Lakh towards the investment and ₹ 48.28 Lakh towards loans and receivables have been made during the year 2014-15 (Financial Year 2013-14: Nil) based on management's assessment and independent valuation of the recoverable value of the investment, loans and receivables. These provisions have been disclosed as an Exceptional Item in the Statement of Profit and Loss.
18. Since March 31, 2013, the investment in equity shares, amounting to ₹ 6,925.07 Lakh of EKC Industries (Tianjin) Company Limited, the subsidiary in China, has been considered as current investment pursuant to the decision

of the Board of Directors of the Company to dispose off the investment in the subsidiary by sale of the equity shares or in any other manner most beneficial to the Company. Accordingly, the amounts recoverable as loans and advances and interest thereon aggregating to ₹ 3,950.82 Lakh as on March 31, 2015 (₹ 7,628.67 Lakh as at March 31, 2014) have been classified as current. The Company is of the considered view based on the assessment of the relevant factors, such as, the long term nature of the investment, future business prospects in the markets in which EKC Industries (Tianjin) Company Limited operates, expected appreciation in the fair value of the assets of EKC Industries (Tianjin) Company Limited, etc., that no provision for the diminution in the value of the Investment is required. However, on conservative basis, during the current year, an amount of ₹ 1,500 Lakhs (₹ Nil as at March 31, 2014) has been provided towards such diminution and has been disclosed as an Exceptional Item in the Statement of Profit and Loss.

19. As on March 31, 2015, Other Current Assets include land at Gandhidham having book value ₹ 223.25 Lakh and office premises at Mumbai having book value ₹ 1,235.68 Lakh being Fixed assets held for disposal, pursuant to the decision of the Board of Directors of the Company to dispose off the same during near future.
20. Previous year's figures have been reclassified/regrouped to conform to current year's classification/grouping.
21. Significant Accounting Policies followed by the Company are as stated in the Statement annexed to this note as Annexure I.

**SIGNIFICANT ACCOUNTING POLICIES:**
**GENERAL INFORMATION**

The Company is engaged in the manufacture of high pressure seamless gas cylinders and other cylinders, equipments, appliances and tanks with their parts and accessories used for containing and storage of liquefied petroleum gases and other gases, liquids and air.

**A. Basis of preparation of financial statements:**

The financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2014, (as amended) and other relevant provisions of the Companies Act, 2013.

All the assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current – non-current classification of assets and liabilities.

**B. Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known.

Examples of such estimates include the useful life of fixed asset, provision for doubtful debts/advances, future obligation in respect of retirement benefit plans, provision for inventory obsolescence, impairment of investments etc.

**C. Recognition of Revenue and Expenditure:**

- a. Revenue/Income and Cost/Expenditure are generally accounted for on accrual basis as they are earned or incurred except in case of significant uncertainties;
- b. Sale of goods is recognized on transfer of significant risks and rewards of ownership. Recognition in the case of local sales is generally on the dispatch of goods. Export Sales are generally accounted for on the basis of the dates of 'On Board Bill of Lading';

- c. Export Benefits are recognised in the year of export;
- d. Dividend income is recognised in the year in which the right to receive dividend is established.
- e. Interest income and Commission income on guarantees are recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

**D. Employee Benefits:**

- a. **Short term employee benefits** are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered;
- b. **Post employment benefits**
  - i. **Defined contribution plans:**  
Company's contribution to the superannuation scheme, state governed provident fund scheme, etc. are recognised during the year in which the related service is rendered;
  - ii. **Defined benefit plans:**  
The present value of the obligation under such plans is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Statement of Profit and Loss. In the case of gratuity which is funded with the Life Insurance Corporation of India, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plan to recognise the obligation on net basis;
- c. **Compensated Absences:** Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.  
  
Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.
- d. **Termination Benefits** are recognised as an expense in the Statement of Profit and Loss of the year in which they are incurred.

**E. Foreign Currency Transactions / Translations:**

- a. All transactions in foreign currency are recorded at the rates of exchange prevailing on the dates when the relevant transactions take place;
- b. Monetary assets and liabilities in foreign currency outstanding at the close of the year are converted into Indian Currency at the appropriate rates of exchange prevailing on the date of the Balance Sheet. Resultant gain or loss is accounted for during the year;
- c. In respect of forward exchange contracts entered into to hedge foreign currency risks, the difference between the forward rate and exchange rate at the inception of the contract is recognized as income or expense over the life of the contract on equated basis. Further, the exchange differences arising on such contracts are recognised as income or expense along with the exchange differences on the underlying assets/liabilities. Profit or loss on cancellations/renewals of forward contracts is recognised during the year;
- d. Till 31st March, 2010, exchange differences arising on other derivative contracts entered into to hedge foreign currency exposure on account of highly probable forecast transactions, was recognized and marked to market, in line with principles laid down in Accounting Standard 30 – Financial Instruments – Recognition and Measurement, issued by The Institute of Chartered Accountants of India, to the extent, no specific accounting treatment was prescribed under Company law or by any other regulatory authority. Accordingly, gains or losses on effective hedges were carried forward under Hedging Reserve to be recognized in the Statement of Profit and Loss only in the year in which underlying transactions were completed. In the absence of a designation as effective hedge, the gains or losses were immediately recognized in the Statement of Profit and Loss. With effect from 1st April, 2010, the Company has discontinued the aforesaid accounting treatment and is accordingly, recognizing mark to market losses in the Statement of Profit and Loss in the respective time periods.
- e. Accounting of Foreign Branch (Integral Foreign Operation):
  - i. Monetary assets and liabilities are converted at the appropriate rate of exchange prevailing on the Balance Sheet date;
  - ii. Fixed assets and depreciation thereon are converted at the exchange rates prevailing on the date of the transaction.
  - iii. Revenue items (excluding depreciation) are converted at the rate prevailing on date of the transaction.

**F. Fixed Assets and Depreciation****a. Fixed Assets:**

Fixed Assets are carried at cost of acquisition/ construction or at revalued amounts less accumulated depreciation and amortisation. Cost of acquisition includes taxes/duties (net of credits availed) and other attributable costs for bringing assets to the condition required for their intended use.

**b. Depreciation / Amortisation:**

- i. Cost of Leasehold Land is amortised over the primary period of the lease.
- ii. Depreciation on the assets has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013, with residual value of 5%, except in respect of the following categories of the assets, in whose case the useful life of the asset has been assessed based on the technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support, etc.
 

Plant and Machinery :	10 to 25 years
Gas Cylinders :	25 years
- iii. Depreciation on additions to assets or on sale/ disposal of assets is calculated pro-rata from the date of such addition or upto the date of such sale/ disposal as the case may be.

**G. Investments:**

Investments are classified into Current and Long-term Investments. Current Investments are stated at lower of cost and fair value. Long-term Investments are stated at cost. A provision for diminution is made to recognise a decline other than temporary in the value of Long-term Investments.

**H. Inventory Valuation:**

- a. Raw Materials and Components, Work in Progress, Finisa. Raw Materials and Components, Work in Progress, Finished Goods, Stock in Trade, Stores and Spares etc. are valued at Lower of Cost and Net Realisable value.
- b. Goods in transit are valued at cost to date.
- c. Cost' comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to their present location and condition. Cost formulae used are either 'First In First Out' or 'Weighted Average Cost' as applicable.

- d. Inter-unit transfers are valued either at works or factory costs of the transferor unit.

**I. Taxation:**

Income-tax expense comprises Current tax and Deferred tax charge or credit.

- a. Provision for current tax is made on the assessable income at the tax rate applicable to the relevant assessment year.
- b. Deferred Tax is recognized on timing difference between taxable income and accounting income that originates in one period and are capable of reversal in one or more subsequent period(s). The Deferred Tax Asset and Deferred Tax Liability are calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred Tax Assets arising on account of brought forward losses and unabsorbed depreciation under tax laws are recognised only if there is a virtual certainty of its realisation supported by convincing evidence. Where there is no unabsorbed depreciation and/or brought forward losses, Deferred Tax assets on account of other timing differences are recognised only to the extent there is a reasonable certainty of its realisation. At each Balance Sheet date, the carrying amounts of Deferred Tax Assets are reviewed to reassess realisation.

**J. Borrowing Costs:**

Interest and other borrowing costs attributable to acquisition/construction of qualifying assets are capitalised as part of the cost of such assets upto the date the assets are ready for their intended use. Other borrowing costs are charged as expense in the year in which these are incurred.

**K. Impairment of Assets:**

The carrying amounts of assets are reviewed at each Balance Sheet date to assess whether there is any indication that an individual asset / group of assets (constituting a Cash Generating Unit) may be impaired. If there is any indication of impairment based on internal / external factors i.e. when the carrying amount of the assets exceed the recoverable amount, an impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed or reduced if there has been a favourable change in the estimate of the recoverable amount. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

**L. Provisions, Commitments, Contingent Liabilities and Contingent Assets:**

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognised nor disclosed in the financial statements.

**M. Leases:**

The Company has leased out certain tangible assets and such leases where the Company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognized in the Statement of Profit and Loss on a straight line basis over the lease term which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs for securing lease contracts are recognized as an expense in the Statement of Profit and Loss in the period in which they are incurred.

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the statement of profit and loss on a straight line basis.

**N. Earning Per Share:**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earning considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

## INDEPENDENT AUDITORS' REPORT

### The Board of Directors of Everest Kanto Cylinder Limited

1. We have audited the accompanying consolidated financial statements of Everest Kanto Cylinder Limited, ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March, 2015, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group, in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The Holding Company's Board of Directors, and the respective Board of Directors/management of the subsidiaries included in the Group, are responsible for the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. Further, in terms with the provisions of the Act, the respective Board of Directors of the Holding Company and its subsidiary which is incorporated in India, are responsible for maintenance of adequate accounting records; safeguarding the assets; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Holding Company, as aforesaid.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

4. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the auditor's report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
7. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 9(a) of the "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Opinion

8. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on the financial statements of the subsidiaries as noted below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March, 2015, and their consolidated loss and their consolidated cash flows for the year ended on that date.

**Other Matter**

9. (a) We did not audit the financial statements of six subsidiaries, included in the consolidated financial statements, whose financial statements reflect total assets (after eliminating intra-group transactions) of ₹ 57,937 lakh as at 31 March, 2015, total revenues (after eliminating intra-group transactions) of ₹ 30,013 lakh and net cash flows amounting to ₹ 2,729 lakh for the year ended on that date. These financial statements have been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done by and the reports of the other auditors.

**Report on Other Legal and Regulatory Requirements**

10. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, and based on the comments in the auditor's reports of the subsidiary companies, incorporated in India, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, as applicable to such companies.
11. As required by Section 143(3) of the Act, and based on the auditor's reports of the subsidiaries, we report, to the extent applicable, that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
  - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
  - the report on the accounts of the branch office of the Holding Company audited under Section 143(8) of the Act by the branch auditors have been sent to us, and have been properly dealt with by us in preparing this report;

- The consolidated financial statements dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
- On the basis of the written representations received from the directors of the Holding Company as at 31 March, 2015 taken on record by the Board of Directors of the Holding Company and the report of the other statutory auditors of its subsidiary company, incorporated in India, none of the directors of the Group companies, incorporated in India are disqualified as on 31 March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - as detailed in clause 4 of Note xxvii, the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group;
  - the Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - Following are the instances of delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company incorporated in India:

Name of company	Status	Amount(₹)	Due date	Date of payment

## ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF EVEREST KANTO CYLINDER LIMITED, ON THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015

Based on the audit procedures performed for the purpose of reporting a true and fair view on the consolidated financial statements of the Holding Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit and based on the comments in the auditor's reports of the subsidiary company incorporated in India, we report that:

- |   |  |
|---|--|
| <p>i. (a) The Holding Company and its subsidiary company, incorporated in India, have maintained proper records showing full particulars, including quantitative details and situation of fixed assets.</p> <p>(b) The fixed assets have been physically verified by the management of the Holding Company and its subsidiary company, incorporated in India, during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Holding Company and its subsidiary company, incorporated in India, and the nature of their assets.</p>                                      | <p>for the recovery of the overdue interest exceeding ₹ one lakh.</p> <p>The Subsidiary company, incorporated in India, has not granted any loan, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a) and 3(iii)(b) of the Order are not applicable.</p>   |
| <p>ii. (a) The management of the Holding Company and its subsidiary company, incorporated in India, has conducted physical verification of inventory at reasonable intervals during the year.</p> <p>(b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Holding Company and its subsidiary company, incorporated in India, and the nature of their business.</p> <p>(c) The Holding Company and its subsidiary company, incorporated in India, are maintaining proper records of inventory and no material discrepancies between physical inventory and book records were noticed on physical verification.</p> | <p>iv. In our opinion, there is an adequate internal control system commensurate with the size of the Holding Company and its subsidiary company, incorporated in India and the nature of their businesses for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of audit, no major weakness has been noticed in the internal control system in respect of these areas.</p> <p>v. The Holding Company and the subsidiary company, incorporated in India, have not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.</p> <p>vi. We have broadly reviewed the books of account maintained by the Holding Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Holding Company's products and are of the opinion that, <i>prima facie</i>, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete. The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of products of subsidiary company, incorporated in India. Accordingly, the provisions of clause 3(vi) of the Order are not applicable to the subsidiary company incorporated in India.</p> |
| <p>iii. The Holding Company has granted secured loan to a company covered in the register maintained under Section 189 of the Act; and with respect to the same:</p> <p>(a) the principal amount is not due for repayment currently, however, the receipt of the interest is not regular.</p> <p>(b) there is no overdue amount in respect of the principal amount of the loan granted, exceeding ₹ one lakh. Reasonable steps have been taken by the Company</p>   | <p>vii. (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax,</p>   |

wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities by the Holding Company and its subsidiary company, incorporated in India, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

- (b) There are no dues of the subsidiary company, incorporated in India, in respect of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess that have not been deposited with the appropriate authorities on account of any dispute. The dues of the Holding Company outstanding in respect of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of Statute	Nature of Dues	Amount (₹ in Lakh)	Amount Paid Under Protest (₹ in Lakh)	Period to which the amount relates	Forum where dispute is pending

- (c) The Holding Company has not transferred the amount required to be transferred to the Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary company, incorporated in India, in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder. Accordingly, the provisions of clause 3(vii)(c) of the Order are not applicable to the subsidiary company, incorporated in India.
- viii. In our opinion, the accumulated losses of the Holding Company and its subsidiary company, incorporated in India, at the end of the financial year are more than fifty percent of its net worth. The Holding Company and its subsidiary company incorporated in India have incurred cash losses in the current year and immediately preceding financial year.
- ix. The subsidiary company incorporated in India has no dues payable to financial institutions or bank or debenture holders during the year. The Holding Company has no dues payable to financial institutions or debenture holders. The Holding Company has defaulted in repayment of dues to the following banks:

- x. In our opinion, the terms and conditions on which the Holding Company has given guarantee for loans taken by others from banks or financial institutions are not, prima facie, prejudicial to the interest of the Company. The subsidiary company incorporated in India has not given any guarantees for loans taken by others from banks or financial institutions. Accordingly, the provisions of Clause 3(x) of the Order are not applicable to the subsidiary company incorporated in India.
- xi. In our opinion, the Holding Company has applied the term loans for the purpose for which these loans were obtained. The subsidiary company, incorporated in India, did not have any term loans outstanding during the year. Accordingly, the provisions of clause 3(xi) of the Order are not applicable to the subsidiary company incorporated in India.
- xii. No fraud on or by the Holding Company and its subsidiary incorporated in India have been noticed or reported during the period covered by our audit.

12. During the year 2012-13, the provision of ₹ 4,469.35 lakhs was made in respect of trade receivables of EKC International FZE, UAE, that were due for more than one year as at the end of that financial year, due to the prevalent geo-political situation in the Middle East and out of abundant caution. During the current year, ₹ 2,482.71 lakhs (Previous Year: ₹ Nil) have been recovered against the same. Management is confident of recovering the balance receivables.
13. Total research and development expenses incurred at C.P. Industries Holdings Inc. were approximately ₹ 240.30 Lakh (₹ 544.95 Lakh as on March 31, 2014). The Subsidiary charges the entire research and development costs to the Statement of Profit and Loss.
14. Please refer to Page Nos. 96 & 97.
15. During the year, the Company has on reassessment of the relevant facts, revised the estimated useful lives of IPRs and Goodwill, arising on historic acquisition of business

assets, capitalised in the books of subsidiaries, from 10 years to 8 years. Consequently, the amortization charge in relation to these intangibles for the year 2014-15 is higher by ₹ 1,256.06 Lakh as compared to the previous year.

16. During the year, EKC International FZE has changed the estimates of useful life of its fixed assets. The new useful lives of fixed assets adopted by subsidiary company are in line with the useful lives of fixed assets considered by holding Company. This change in estimate of useful life has resulted in lower depreciation charge of ₹ 448.40 Lakh during the current year as compared to the previous year.
17. The Company has an investment of ₹ 200 Lakh in 2,000,000 Equity Shares of GPT Steel Industries Private Limited (GPT). Based on the financial statements of GPT, its Net Worth has fully eroded. The Company had made an assessment during the year 2010-11 and had accordingly provided for 100% diminution in value of investments made in GPT. The position at the end of this financial year remains the same.
18. As on March 31, 2015, Other Current Assets include land at Gandhidham, India having book value ₹ 223.25 Lakh and office premises at Mumbai, India having book value ₹ 1,235.68 Lakh being Fixed assets held for disposal, pursuant to the decision of the Board of Directors of the Company to dispose off the same during near future.
19. Previous year's figures have been reclassified/regrouped to conform to current year's classification/grouping.
20. Significant Accounting Policies followed by the Company are as stated in the Statement annexed to this note as Annexure I.

#### 14. Segment Reporting:

##### B. Other Disclosures

- Segment information has been identified in accordance with Accounting Standard (AS) 17 – Segment Reporting considering the organisation structure and the differing risks and returns of these segments.
- The Company and its subsidiaries operate within a single business segment. Hence, the Company has disclosed geographical segment as the primary segment on the basis of geographical location of the operations carried out by the Holding Company, its subsidiaries and step down subsidiaries.
- Inter Segment Revenues are recognised at sales price.
- The Segment Revenues, Results, Assets and Liabilities include the respective amounts identifiable to each of the segment and the amounts allocated on a reasonable basis.

**Annexure I**
**SIGNIFICANT ACCOUNTING POLICIES:**
**A. Basis of preparation of financial statements:**

The financial statements are prepared under the historical cost convention on the accrual basis of accounting. The financial statements of the Holding Company have been prepared in accordance with the Generally Accepted Accounting Principles in India. The financial statements of the foreign subsidiaries have been prepared in accordance with the local laws and the applicable Accounting Standards/ Generally Accepted Accounting principles duly adapted/ aligned with the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2014, (as amended) and other relevant provisions of the Companies Act, 2013, wherever required, for the purpose of consolidation. The financial statements of the subsidiaries used in the consolidation, are drawn upto the same reporting date as that of the Holding Company, i.e. year ended 31st March.

All the assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle to be 12 months for the purpose of current – non-current classification of assets and liabilities.

**B. Principles of Consolidation:**

- a. The financial statements of the Holding Company and its subsidiaries have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealised profits.

Assets and liabilities of subsidiaries are translated into Indian rupees at the rate of exchange prevailing as at the Balance Sheet date. Revenues and expenses are translated into Indian rupees at average of twelve months currency exchange rates. Resulting variation on account of exchange rates are accumulated in a Foreign Currency Translation Reserve Account.

Subsidiaries are consolidated from the date on which effective control is transferred to the Group and are not considered for consolidation from the date of disposal.

The difference between the cost of investment in subsidiaries over the relevant equity portion of the subsidiary is recognized in the financial statements as goodwill or capital reserve on the date of acquisition.

Goodwill on consolidation is amortized over a period of five years.

Minority interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their shares in the equity subsequent to the dates of investments.

- b. The financial statements of the Holding Company and its subsidiaries have been consolidated using uniform accounting policies except, to the extent of variation mentioned below, which, in the opinion of the management, does not have any material impact on the consolidated financial statements.

**Variation in Accounting Policies:-**

Employee benefits such as gratuity and long term compensated absences are accrued by the UAE subsidiary on an undiscounted basis over the period of employment contract, whereas employee benefits for other group companies are recognised on the basis of an actuarial valuation. The impact of the same, in the opinion of the management, would not be significant.

**C. Use of Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known.

Examples of such estimates include the useful life of fixed asset, provision for doubtful debts/advances, future obligation in respect of retirement benefit plans, provision for inventory obsolescence, impairment of investments etc.

**D. Revenue Recognition:**

- a. Revenue/Income and Cost/Expenditure are generally accounted for on accrual basis as they are earned or incurred except in case of significant uncertainties;
- b. Sale of goods is recognised on transfer of significant risks and rewards of ownership, which is generally on the dispatch of goods;
- c. Export Benefits are recognised in the year of export;
- d. Dividend income is recognised in the year in which the right to receive dividend is established;
- e. Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

**E. Employee Benefits:**

- a. **Short term employee benefits** are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered;
- b. Post-employment benefits
  - i. Defined contribution plans:  
Company's contribution to the superannuation scheme, state governed provident fund scheme, etc. are recognised during the year in which the related service is rendered;
  - ii. Defined benefit plans:  
The present value of the obligation under such plans is determined based on an actuarial valuation using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Statement of Profit and Loss. In the case of gratuity which is funded with the Life Insurance Corporation of India, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plan to recognize the obligation on net basis;  
Retirement Plans (CP Industries Holdings Inc.): The Subsidiary has a noncontributory defined benefit pension plan covering all union employees hired prior to June 1, 2006. The benefits are based on years of services and the applicable compensation levels under the plan. Its funding policy is to fund pension cost as determined by actuarial valuation. Contributions are intended to provide not only for benefits attributable to service to date but also for those expected to be earned in the future.  
It also has two 401(k) savings plans which cover substantially all union and non union employees. For both plans, the Company matches a percentage of the employees' contributions up to the maximum level. The matching contributions to the plans were approximately ₹ 49.45 Lakh (\$79,000.00) for 2015 and ₹ 46.28 Lakh (\$77,000.00) for 2014. There were no discretionary contributions made to the non union employees' plan in 2014.
- c. **Long term compensated absences are accounted on the basis of an actuarial valuation.**
- d. **Termination Benefits** are recognised as an expense in the Statement of Profit and Loss of the year in which they are incurred.

**F. Foreign Currency Transactions / Translations:**

- a. For the purpose of consolidation, the amounts appearing in foreign currencies in the Financial Statements of the foreign subsidiaries (considered as non-integral operations) are translated at the following rates of exchange:

- i. Average rates for income and expenditure.

- ii. The year-end rates for all assets and liabilities.

Resulting variation on account of exchange rates are accumulated in a Foreign Currency Translation Reserve Account.

- b. Translations within the entities:

- i. All transactions in foreign currencies are recorded at the rates of exchange prevailing on the dates when the relevant transactions take place;

- ii. Monetary assets and liabilities in foreign currency outstanding at the close of the year are converted into equivalent Indian Currency at the appropriate rates of exchange prevailing on the date of the Balance Sheet. Resultant gain or loss is accounted for during the year;

- iii. In respect of forward exchange contracts entered into to hedge foreign currency risks, the difference between the forward rate and exchange rate at the inception of the contract is recognized as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognised as income or expense along with the exchange differences on the underlying assets/liabilities. Derivative contracts intended for trading purposes, are marked to their current market value and gain/loss on such contracts is recognised in the Statement of Profit and Loss for the year. Profit or loss on cancellations/renewals of forward contracts is recognised during the year;

- iv. Exchange differences arising on other derivative contracts entered into to hedge foreign currency exposure on account of highly probable forecast transactions, were recognized and marked to market, in line with principles laid down in Accounting Standard 30 – Financial Instruments – Recognition and Measurement, issued by The Institute of Chartered Accountants of India, to the extent, no specific accounting treatment is prescribed under Company law or by any other regulatory authority. Accordingly, such gain or loss on effective hedges was carried forward under Hedging Reserve to be recognized in the Statement of Profit and Loss only in the year in which underlying transactions get completed. In the absence of a designation as effective hedge, the gain or loss would be immediately recognized in the Statement of Profit and Loss. With effect from 1st April, 2010, the Company has discontinued the aforesaid accounting treatment and is, accordingly, recognizing mark to market losses in the Statement of Profit and Loss.

- v. Accounting of Foreign Branch (Integral Foreign Operation):
- Monetary assets and liabilities are converted at the appropriate rate of exchange prevailing on the Balance Sheet date;
  - Fixed assets and depreciation thereon are converted at the exchange rates prevailing on the date of the transaction;
  - Revenue items are converted at the rate prevailing on date of the transaction.

**G. Fixed Assets and Depreciation / Amortization:**

**a. Fixed Assets:**

Fixed Assets are carried at cost of acquisition/ construction or at revalued amounts less accumulated depreciation and amortization. Cost of acquisition includes taxes/duties (net of credits availed) and other attributable costs for bringing assets to the condition required for their intended use.

**b. Depreciation / Amortization:**

- i. Cost of Leasehold Land is amortized over the period of the Primary/Secondary period of lease;
- ii. Depreciation on the fixed assets of the Holding Company, CC&L and EKC International FZE has been provided on the straight line method as per the useful life prescribed in Schedule II to the Companies Act, 2013, with residual value of 5%, except in respect of the following categories of the assets, in whose case the useful life of the asset has been assessed based on the technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturer's warranties and maintenance support, etc.

Plant and Machinery: 10 to 25 years

Gas Cylinders: 25 years

In respect of certain foreign subsidiaries, depreciation has been charged on pro-rata basis at the rates and methods as prescribed in the respective local regulations of the country of incorporation, which generally represents useful life of these assets.

- iii. Depreciation on additions to assets or on sale/ disposal of assets is calculated pro-rata from the date of such addition or upto the date of such sale/ disposal as the case may be.

**H. Investments:**

Investments are classified into Current and Long-term Investments. Current Investments are stated at lower of cost and fair value. Long-term Investments are stated at cost. A provision for diminution is made to recognise a decline other than temporary in the value of Long-term Investments.

**I. Inventory Valuation:**

- a. The inventories resulting from intra-group transactions are stated at cost after deducting unrealised profit on such transactions;
- b. Goods in transit are stated 'at cost';
- c. Other inventories are stated 'at cost or net realisable value', whichever is lower;
- d. Cost comprises all costs incurred in bringing the inventories to their present location and condition. Cost formulae used are either 'weighted average cost', 'first-in-first-out' or 'specific identification', as applicable.

**J. Taxation:**

Income-tax expense comprises Current Tax and Deferred Tax Charge or Credit.

- a. Provision for current tax is made on the assessable income at the tax rate applicable to the relevant assessment year;
- b. Deferred Tax is recognized on timing difference between taxable income and accounting income that originates in one period and are capable of reversal in one or more subsequent period(s). The Deferred Tax Asset and Deferred Tax Liability are calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred Tax Assets arising on account of brought forward losses and unabsorbed depreciation under tax laws are recognised only if there is a virtual certainty of its realisation supported by convincing evidence. Where there is no unabsorbed depreciation and/or brought forward losses, Deferred Tax assets on account of other timing differences are recognised only to the extent there is a reasonable certainty of its realisation. At each Balance Sheet date, the carrying amounts of Deferred Tax Assets are reviewed to reassess realisation.

**K. Borrowing Costs:**

Interest and other borrowing costs attributable to acquisition / construction of qualifying assets are capitalised as part of

the cost of such assets upto the date the assets are ready for their intended use. Other borrowing costs are charged as expense in the year in which these are incurred.

**L. Impairment of Assets:**

The carrying amounts of assets are reviewed at each Balance Sheet date to assess whether there is any indication that an individual asset / group of assets (constituting a Cash Generating Unit) may be impaired. If there is any indication of impairment based on internal / external factors i.e. when the carrying amount of the assets exceed the recoverable amount, an impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed or reduced if there has been a favourable change in the estimate of the recoverable amount. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

**M. Government Grants:**

Government grants received to meet the costs of specific fixed assets are recognised as a reduction in the cost of the respective asset. Revenue grants are recognised in the Statement of Profit and Loss on a systematic basis so as to match the related costs.

**N. Expenditure During Construction and Expenditure on New Projects:**

In case of new projects and substantial modernization / expansion at existing units of the Group, expenditure incurred prior to commencement of commercial production is capitalised in accordance with generally applicable accounting principles.

**O. Provisions, Commitments, Contingent Liabilities and Contingent Assets:**

Provisions involving a substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities

are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent Assets are neither recognised nor disclosed in the financial statements.

**P. Leases:**

The Company has leased out certain tangible assets and such leases where the Company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognized in the Statement of Profit and Loss on a straight line basis over the lease term which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs for securing lease contracts are recognized as an expense in the Statement of Profit and Loss in the period in which they are incurred.

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the statement of profit and loss on a straight line basis.

**Q. Earnings Per Share:**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earning considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
